

# All about me

Hello, my name is **Debbie Edler** and it's my job to help you. I thought you'd like to know a little bit more about me.

## My job

I have worked as a nurse in hospitals and the community for a long time. Most recently, before joining Bush & Co, I worked with children and young adults who needed a lot of support for their medical conditions. I worked with their carers to enable them to go to school/ college and to help them enjoy out of school activities.

## I am...

Fun

Caring

Listener

Reader

Loyal

## My proudest moment as a case manager was...

I worked with a team of therapists and support workers to enable a person that I was working with and helping to fulfil his wish to record his own song and music.

# When I was growing up I wanted to be...

A Nurse. I was always drawn to it and then at the age of 7 , I spent time in hospital and at one point was the only child on the ward. The nurses and doctors spent time showing me how to bandage and things like that which reinforced my wish to be a nurse.

## My hidden talent is...

I am quite a good gardener and my cooking isn't bad. My super power is that I am a good listener.

## I am happy when...

I spend time in the garden, cooking and reading. Spending time with Family and friends.

## I don't like...

When I cook something and it doesn't turn out how I expected it, like baking a cake and it collapses when I take it out of the oven.
