

All about me

Hello, my name is **Jackie Bevan** and it's my job to help you. I thought you'd like to know a little bit more about me.

My job

I help you to do everyday things.

I am...

Resourceful - I can think creatively and find smart ways to solve things.

Reliable - I always keep my promises.

Friendly - I am kind and nice to others.

Honest - I tell the truth and do what's right.

Empathetic - I always try to understand what other people are feeling.

My proudest moment as a case manager was..

Seeing someone achieve what they thought they'd never do.

When I was growing up I wanted to be...

An Occupational Therapist to help others.

My hidden talent is...

I can tell you what you need before you realise you need it!

I am happy when...

I see things happen, develop and grow.

I don't like...

Olives!
