

All about me

Hello, my name is **Katy Gill** and it's my job to help you. I thought you'd like to know a little bit more about me.

My job

I am a children's nurse and have been for over 30 years! My job is to help children feel safe, comfortable, and cared for when they don't feel well.

I am...

Happy

Friendly

Enthusiastic

Talkative

Crazy!

My proudest moment as a case manager was..

When I was invited to the Yorkshire Children of Courage Awards. I was invited in recognition of my hard work with one of the children that I was helping who

KIDS

had some particularly challenging circumstances. It was an incredible evening and I was proud to be apart of it!

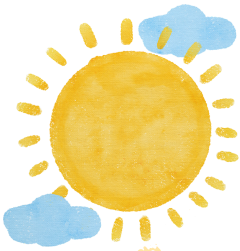

When I was growing up I wanted to be...

A Nurse! Growing up my aunties were Nurses and my uncle was a Doctor and I had always looked up to them.

My hidden talent is...

Baking yummy birthday cakes and making jam, I can also speak a bit of Arabic.

I am happy when...

I'm in the sunshine.

I don't like...

That I am allergic to prawns as I miss being able to eat them!
