

All about me

Hello, my name is **Louise Derrick** and it's my job to help you. I thought you'd like to know a little bit more about me.

My job

I'll speak with you to learn what is hurting, what you might be frightened of and what your likes and goals are. I will work with others around you, telling them about your superpowers and things that make you sad to help make your feelings, mind and body feel better so you can try to do the things you want to do.

I am...

Curious - I like to ask questions and learn new things.

Enthusiastic - I am excited and happy to join in.

Collaborative - I am good at working with others.

Proactive - I like to get things done without being asked.

Competitive - I try my best and like a challenge.

When I was growing up I wanted to be...

A nurse as I liked to help people feel better.

My hidden talent is...

Playing Dobble

I get grumpy when...

I lose at sports!
