

All about me

Hello, my name is **Maria Nowshadi** and it's my job to help you. I thought you'd like to know a little bit more about me.

My job

I am a nurse who looks after children, now I come to see children who have had accidents and try to help them get better.

I am...

Caring - I am kind and like helping others.

Organised - I always make sure I finish my tasks on time and stay on top of everything through my planning.

Determined - I always want to do the best job possible.

My proudest moment as a case manager was..

Arranging for a family to move to a new property that was much better suited for their child's needs.

When I was growing up I wanted to be...

A Nurse so that i could help people.

My hidden talent is...

Gardening! I love it and even made a fairy garden at my house.

I am happy when...

Playing with my dog Koopa.

I don't like...

Not having any chocolate at home!
