

# All about me

Hello, my name is **Matt Bushell** and it's my job to help you. I thought you'd like to know a little bit more about me.

## My job

I look after teams of therapists and doctors.

## I am...

Very silly!

## My proudest moment as a case manager was...

Seeing my brain injured client re-united with his son after a 4-year battle through the courts; or; shaking hands with my client after 4 years of arguing for the need for a prosthetic hand after losing all his fingers in an accident.

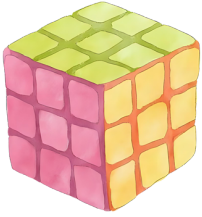

## When I was growing up I wanted to be...

A lorry driver so I could travel.

# My hidden talent is...

- I can solve a Rubik's cube. I also have one amazing card trick (and it really is amazing!).
- I once got bitten by a snake while out running in the countryside (I even have the fang marks to prove it...).
- I tried to fly when I was 18 but ended up needing to pull my parachute

# I am happy when...

I am writing.

# I don't like...

Wasps and Brussel sprouts!
