

# All about me

Hello, my name is **Nichola Stokes** and it's my job to help you. I thought you'd like to know a little bit more about me.

## My job

I am here to support you and your family with getting access to equipment you may need and help you with being able to do the things you enjoy doing. This may need me to find other people with special skills to help us and help you get better and stronger.

I will be here to support with lots of different things from health, learning, housing, equipment and activities, so just ask the question and I can work with you and your family to find a way forward.

## My proudest moment as a case manager was...

When I receive feedback and can see the improvements and progress a child makes, this may be through the sharing of a

photograph where the child is proud of their achievement and has a beaming smile on their face!

## When I was growing up I wanted to be...

I always wanted to work with children and considered being a PE teacher, because I thought it would be fun to play sports all day.

## My hidden talent is...

I have played Badminton and represented my County since the age of ten. I am also a very good multitasker and have a special way of taking notes using lots of colours and symbols - who doesn't love a stickman!

## I am happy when...

Being in the sunshine, going on dog walks and eating cake.

## I don't like...

Being stuck in traffic jams, being cold and Brussel sprouts!
